

What is Pickleball?

- A paddle sport that combines elements of tennis, badminton, and ping pong.

Equipment

- Each player needs a **paddle**
- The **ball** is unique, with holes like a Floorball

Pickleball Court Dimensions

Net height: 86 cm

Two-Bounce Rule

1.- Server starts in the right court and serves to the court diagonally opposite.

2.- The ball must travel past the non-volley zone line

3.- Receiver must let the ball bounce once before hitting. It can return the ball anywhere.

4.- On the first return of service, server (or partner) must also let the ball bounce once before hitting it.

Non-Volley Zone

Volleying is prohibited within the non-volley zone

The Basic Rules: Doubles

Server 1 (A) starts in the right court and serves diagonally opposite

If Team A/B wins a point, they switch courts before serving again.

When the first server (A) loses the serve the partner (B) serves from their correct side of the court. Both players on a team serve until their team makes faults. Then service changes to the opponents, who also both serve.

The Basic Rules

- A match consists of the best 2 out of 3 games played to 11 points.
- Players/Teams only score points when serving.
- The ball can only bounce once per side.
- Typical faults:
 - Hitting the ball out of bounds or into the net
 - Volleying while in the non-volley zone
 - Serving incorrectly
 - Being touched or hit by the ball
 - Stepping on service line or non-volley zone line while hitting the ball.
- Keeping Score: before serving, the serving player must call the score. The server announces his score followed by his opponent's score.
